Walt,

With respect to your questions:

1. The name is correct. Rodney is an experienced Operator, but does not have a supervisor title (I initially thought that he was a Supervisor, but he is not).
2. Yes, Amanda is an attorney with Foley & Lardner.
3. I am checking to see if those results are available, and will provide them to you when they are.

Let me know if you have any other questions.

Linda

Ms. Benfield –

As you know, I was at the Mid America IBC, Milwaukee, Wisconsin facility on 2/24/2017.

A couple of questions:

- 1) We spoke to Rodney Knash, Supervisor of the Mid America IBC plant. Do I have his name and title correct?
- 2) Amanda Beggs from Foley & Lardner was present during the site visit. Do I have her name spelled correctly, and is her title Attorney?
- 3) I'm pretty sure Mr. Knash told us that Badger Disposal had sampled the vacuum residue totes and the "Cut and Scape" 55-gallon drums. Do you know if the sampling results are available?

Let me know.

Thanks

Walt Francis
